Dear Parents,

Long awaited holidays are again ready to welcome you with their showers of rest, play and some work.

Projects have already been given. Help them in completing the task in a well planned manner. In addition to the projects make sure that your child does a page of writing daily in English and Hindi in a separate copy to enhance the neatness and curves and make them more confident. The copies should be submitted to the class teacher on 1st July 2019. We, as a family, are concerned about the children and have decided to have a fruit break from July onwards in the morning as the little ones board the buses too early. Kindly send some seasonal fruit or a quick bite to make them feel energetic.
